

A vibrant, stylized illustration of a turbulent sea. The water is depicted with thick, wavy, teal-colored lines. Several pink, puffy clouds are scattered across the scene, each with a yellow lightning bolt and blue raindrops falling from it. In the upper left, a large, multi-colored rainbow arches over the water. In the background, several brown, triangular pyramids are visible, some partially submerged. The overall style is reminiscent of mid-20th-century graphic design or children's book illustrations.
